Coverage Conditions

Coverage Period

IMPORTANT:

Your incident date must occur during your Coverage Period.

When Your Coverage Starts

Your coverage starts on the effective date.

For Trip Cancellation coverage, the *effective date* is the day the completed application is accepted by us and the full premium is paid.

For all other coverages available to you under this **policy**, the *effective date* is the later of:

- a) The date indicated as the *effective date* on your Confirmation of Coverage, or
- b) The date you begin your trip.

Coverage is only provided for losses that occur while your **policy** is in effect.

When Your Coverage Ends

Your coverage ends on the expiry date.

For Trip Cancellation coverage, the *expiry date* is the earlier of:

- a) The date indicated as the *expiry date* on your Confirmation of Coverage,
- b) The date you begin your trip,
- c) The date you cancel your **policy**, or
- d) The date you cancel your trip.

For all other coverages available to you under this **policy** the *expiry date* is the earlier of:

- a) The date indicated as the *expiry date* on your Confirmation of Coverage,
- b) The date you end your trip (other than as described under Temporary Return Home section),
- c) The date you file a trip cancellation claim with us.

NOTE: Coverage remains available to all insureds listed on the Confirmation of Coverage who did not file a trip cancellation claim.

Eligibility

Review this section to confirm you are eligible for coverage.

To be eligible for coverage, all of the following conditions must be met:

As of the *effective date* of your **policy** you must:

- a) be age 84 or younger,
- b) be a Canadian resident and be insured for benefits under a Canadian government health insurance plan during the entire Coverage Period,
- c) be travelling no longer than 60 days if you are age 65 up to and including 84 years old,
- d) have completed a medical questionnaire if you are age 75 or older,
- e) not have been advised against travel by a *physician* for a period of time which includes your trip, and
- f) not be travelling or going on your trip to receive treatment or alternative therapy of any kind.

Canadian resident means a person legally authorized to reside in Canada and who maintains a permanent residence in Canada.

The provincial and territorial government health insurance plans limit the time a person can be out of Canada and still remain eligible for provincial coverage. It is your responsibility to ensure you remain eligible during your Coverage Period. Check your province or territory's health insurance plan for details.

Important note about changes in your health:

If your health changes in any way before your *effective date*, contact Allianz Global Assistance to see how this may affect your coverage.

Temporary Return Home

Temporary Return Home applies to Emergency Medical coverage only.

You can return to your province or territory of residence temporarily during your Coverage Period without your **policy** expiring. There is no coverage when you are in your province or territory of residence. Expenses for your temporary return are your responsibility and there is no premium refund for the time you were in your province or territory of residence. If you are still within your Coverage Period and choose to continue your trip, you must meet the eligibility requirements of this **policy** when you exit your province or territory of residence to continue your coverage.

Automatic Extension of Coverage

Automatic Extension of Coverage applies to Emergency Medical and Trip Interruption coverages only.

Your coverage may be automatically extended beyond the expiry date stated on your Confirmation of Coverage for the following reasons:

- **Medically unfit to travel:** If you or your travelling companion is deemed unfit to travel due to a covered sickness or injury, your coverage will be extended until you or your travelling companion is deemed fit to travel, plus an additional five (5) days to travel to your province or territory of residence. Allianz Global Assistance medical staff in consultation with the attending physician will determine when you or your travelling companion is deemed fit to travel.
- **Transportation Delay:** If your travel carrier is delayed, or the automobile in which you are travelling is involved in a traffic accident or mechanical breakdown, preventing you from returning on your scheduled return date, your coverage will be automatically extended for up to 72 hours.

Insuring Agreement

This section outlines the legal agreement made between you and us.

We will provide the coverage described in this **policy** in return for payment of the premium shown on your Confirmation of Coverage.

Your Confirmation of Coverage summarizes the benefit limits that we agree to provide during your Coverage Period.

Unless otherwise stated, benefit limits are per insured person, per trip. Benefits are payable up to the specified limits and in excess of any amount allowed or paid for by any other insurance plan(s) or other sources of reimbursement. All benefit limits, premiums and other amounts referenced are shown in Canadian currency. Some benefits are subject to advance approval by Allianz Global Assistance.

Pre-existing Medical Conditions

Pre-existing Medical Conditions apply to Emergency Medical, Trip Cancellation and Trip Interruption coverages only.

Expenses that are due to, contributed by, or resulting from pre-existing medical conditions, may qualify for coverage, if your pre-existing medical condition meets the **stability period** that applies to you. All exclusions, including those for specific medical conditions, still apply.

IMPORTANT:

If you are age 64 or younger on your effective date:

Pre existing medical conditions that are stable for 90 days before the effective date qualify for coverage, up to the **Sum Insured** shown on your Confirmation of Coverage.

IMPORTANT:

You, or someone on *your* behalf in case of *your* death, must notify all of *your travel suppliers* within two (2) business days of discovering that *you* will need to cancel *your trip* (this includes being advised to cancel *your trip* by a *physician*). If *you* notify any *travel suppliers* later than that and get a smaller *refund* as a result, we will not cover the difference. Making Changes to Your Coverage

Change in Trip Dates

If you need to change the *effective date* or *expiry date* shown on your Confirmation of Coverage, contact Allianz Global Assistance to make the request.

You can apply for additional coverage after you have left on your trip, by contacting Allianz Global Assistance, if:

1. You purchase additional coverage before the *expiry date* of your existing coverage,
2. You have no reason to seek medical attention during the new Coverage Period, and
3. You have no reason to submit a claim during the new Coverage Period.

If you have incurred a claim, your file will be reviewed before deciding on granting an extension. Each **policy** or term of coverage is considered a separate contract. We reserve the right to decline any request for new terms of coverage.

Refunds

A full premium refund will be provided when you cancel your **policy** within 10 days of purchase, as long as you have not left on your trip and have not experienced an event that would cause you to submit a claim, as described in the section titled Right to Cancel on page 4.

Please contact Allianz Global Assistance if you need to request a premium refund.

How to Claim Your Expenses

If you require medical care while travelling, it is critical that you contact Allianz Global Assistance before seeking treatment. In a severe medical emergency, get to a hospital immediately and have a family member or friend call Allianz Global Assistance on your behalf within 24 hours of admission and before any surgery is performed. For more details, refer to Medical Monitoring and 24/7 Emergency Assistance on page 3.

If you need to submit a claim because your trip was cancelled, interrupted or delayed, please notify Allianz Global Assistance as soon as possible.

Claims for out-of-pocket expenses can be submitted through the secure Allianz Global Assistance. Claims Portal: www.allianzassistanceclaims.ca for the most efficient claims experience.

Proof of Loss. Written proof of loss should be submitted as soon as reasonably possible, within 90 days of occurrence, and in no event later than one (1) year after the date of occurrence.

All eligible claims must be supported by receipts from commercial organizations and medical documentation regarding your treatment. Other documentation may be required and/or requested by Allianz Global Assistance.

Any expenses for documentation or required reports are your responsibility.

Incomplete information when submitting your claim will cause delay.

Legal Information

This section outlines the general provisions and statutory conditions that apply to this **policy**, and how *your* information is kept safe and secure. *You* are encouraged to reach out to Allianz Global Assistance anytime if something in *your policy* is not clear to *you*.

General Provisions

Assignment

Any benefits payable or which may become payable under this **policy** cannot be assigned by *you*, and we are not responsible for and will not be bound by any assignment entered into by *you*.

Benefit Payment

Unless otherwise stated, all provisions in this **policy** apply to *you* during a *trip*. Benefits are only payable to *you* under one (1) **policy** during a *trip*.

If more than one (1) **policy** issued by *us* is in effect at the same time, benefits will only be paid under one (1) **policy**; specifically the one with the highest amount of insurance. Benefits are only payable for the plans and the specific amount of insurance selected, paid for by *you*, and accepted by *us* at the time of application, and shown on *your* Confirmation of Coverage.

Any benefits payable do not include payment for interest charges.

Benefits payable as a result of *your* death will be payable to *your* named beneficiary or to *your* estate.

Conformity with Law

Any **policy** provision that conflicts with any applicable law is hereby amended to conform to the minimum requirements of that law.

Coordination of Benefits

Amounts payable under this plan are in excess of any amounts available or collectible under any existing coverage concurrently in force and held by or available to *you*.

Other coverage includes but is not limited to:

- *Your* provincial or territorial health insurance plan,
- Homeowners insurance,
- Tenants insurance,
- Multi-risk insurance,
- Any credit card, third-party liability, group or individual basic or extended health insurance,

- Any private or legislative plan of motor vehicle insurance providing hospital, medical or therapeutic coverage.

We will coordinate all benefits in accordance with the Canadian Life and Health Insurance Association guidelines.

Reimbursement will not be made for any costs, services or supplies that are payable to *you* under a motor vehicle insurance policy or legislative plan pursuant to the no-fault benefits schedule under any Insurance Act, or for which *you* receive benefits from any other party under any policy or legislative plan of motor vehicle insurance, until such benefits are exhausted.

You may not claim or receive in total more than 100% of the loss caused by the insured event.

If *you* are retired with an extended health plan provided by a former employer, that has a lifetime limit of up to \$100,000, we will not coordinate benefits with that provider, except in the event of *your* death.

Currency

All benefit limits stated in *your policy* and Confirmation of Coverage are in Canadian dollars.

At the option of Allianz Global Assistance, benefits may be paid in the currency of the country where the loss occurred. If currency conversion is necessary, the exchange rate in effect on the date the service was supplied to *you* will be used.

General Terms

Insurance terms and conditions are subject to change with each new **policy** purchased, without prior notice, to reflect actual experience in the marketplace.

Governing Law

This **policy** will be governed by the laws of the Canadian province or territory in which *you* normally reside.

Language

You acknowledge that *you* were provided with the French version of this **policy** and that, after first having the opportunity to examine the French version, *you* have expressly requested that this **policy**, as well as the documents related to it, be drawn up in English exclusively.

Vous reconnaissez qu'une version française de la présente **police** *vous* a été remise et qu'après avoir eu la possibilité d'en prendre connaissance, *vous* avez expressément demandé que la présente **police**, ainsi que tous les documents s'y rattachant, soient rédigés exclusivement en anglais.

Limit on Liability

It is a condition precedent to liability under this **policy** that at the time of application and on the *effective date*, you know of no reason to seek medical attention.

Limitation of Action

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act* (for actions or proceedings governed by the laws of Alberta and British Columbia), *The Insurance Act* (for actions or proceedings governed by the laws of Manitoba), the *Limitations Act, 2002* (for actions or proceedings governed by the laws of Ontario), *The Limitations Act* (for actions or proceedings governed by the laws of Saskatchewan), or other applicable legislation. For those actions or proceedings governed by the laws of Quebec, the prescriptive period is set out in the *Quebec Civil Code*.

Misrepresentation or Nondisclosure

Your failure to disclose or misrepresentation of any material fact, or fraud, at any time, shall render the entire contract null and void at our option, and any claim submitted thereunder shall not be payable.

Where there is an error as to your age, provided that your age is within the insurable limits of this **policy**, the premiums will be adjusted according to your correct age.

Premiums

The total premium amount is due and payable at the time of application. The premium is calculated using the most current rates on the *effective date* of this **policy** as shown on your Confirmation of Coverage.

Repayment Obligations

If, due to mistake or any other reason, you receive payments in excess of what this **policy** provides, you shall repay the overpayment to us if a reimbursement request is made of you. If you fail to repay the overpayment, then without limiting any other available remedies available to us, we may deduct the amount of the overpayment from any other benefits that become payable under this **policy**.

Right to be Reimbursed (Subrogation)

As a condition to receiving benefits under the **policy**, you agree to:

1. Reimburse us for all *emergency* medical and *hospital* costs paid under the **policy** from any amounts you receive from a third party responsible (in whole or in part) for your *sickness* or *injury* whether such amounts are paid under a judgment or settlement agreement,

2. Whenever reasonable, initiate a legal action against the third party to recover your damages, including *emergency* medical and *hospital* costs paid under the **policy**,
3. Act reasonably, including in any settlement agreement, to preserve our rights to be reimbursed for any *emergency* medical or *hospital* costs paid under the **policy**,
4. Keep us informed of the status of any legal action against the third party,
5. Include all *emergency* medical and *hospital* costs paid under the **policy** in any settlement agreement you reach with the third party, and
6. Advise your counsel of our right to reimbursement under the **policy**.

Your obligations under this section of the **policy** in no way restrict our right to bring a subrogated claim in your name against the third party and you agree to cooperate with us fully should we choose to exercise its right of subrogation.

Sanctions

Benefits are not payable under this **policy** for any losses or expenses incurred if you are a confirmed match on a global or Canadian Sanctions list, or your travel to a sanctioned country for any business or activity that would violate any Canadian or any other applicable national economic or trade sanction law or regulation.

Time

This **policy** will be governed by the local time of the Canadian province or territory in which you normally reside.

Statutory Conditions

Contract

The application, this **policy**, any document (including but not limited to the completed Medical Screening and Confirmation of Coverage) attached to this **policy** when issued and any amendment to the contract agreed on in writing after this **policy** is issued, constitute the entire contract, and no agent has the authority to change the contract or waive any of its provisions.

You may at any time request that this contract be terminated and we shall, as soon as practical after *you* make the request, refund the amount of premium actually paid by *you* that is in excess of the short-rate premium calculated to the date of the request according to the table in use by *us* at the time of the termination.

Please refer to Making Changes to Your Coverage on page 23.

2. Any payment made by any other insurance plan or contract, including a government hospital/medical plan, and
3. Supporting documentation, at the request of Allianz Global Assistance. If *you* do not provide the required supporting documentation, *your* claim will not be paid.

Failure to give Notice and Proof

Failure to give notice of claim or furnish proof of claim within the time prescribed does not invalidate the claim if:

1. The notice or proof is given or furnished as soon as reasonably possible, and in no event later than the limitation period set out in *The Limitations Act* from the date of the *accident* or the date a claim arises under the contract on account of *sickness* or disability if it is shown that it was not reasonably possible to give notice or furnish proof within the time so prescribed, or
